

MAY CATCHING UP WITH JASON

#TEAMHANDPAY — WHAT A MONTH!!!!

#TEAMHANDPAY — let me tell you, I'm fired up about what we're rolling out this month.

We've added a whole new twist to **May's YLHA drawing**, and it's a true game changer. **YLHA at Foxwoods is officially a two day event on May 23 & 24**, and that extra day isn't just for show. We've introduced **Part Two**, complete with a brand new ball drop game, which means even more chances to win—and more people walking away with serious money. That's what this is all about. Your Luck Has Arrived has already changed lives, and I want to change even more. **More winners. More smiles. More "I still can't believe this just happened" moments.**

I also want to give everyone an update on **YLHA heading to Arizona**, because I know many of you have been waiting patiently. We're continuing to work diligently behind the scenes, but due to some logistical challenges, the event has been pushed back to **July**. We're close, and I'm hopeful we'll be able to announce the details **very, very soon**. I truly appreciate your patience—it means a lot to me that so many of you are excited to see YLHA expand.

And now, for something I'm clearly still not over... **Janice and Danielle** just got back from a Virgin Voyages cruise with a small group of our fans. I hate to admit it, but they had way too much fun without me. New friendships were formed, lifelong memories were made, and if you haven't seen it yet, make sure you check out the **karaoke video Janice posted on Facebook**. No alcohol involved—and yet somehow they managed to miss so many notes that it crossed into that rare category of so terrible it's actually amazing. **Don't say I didn't warn you.**

If you're on the fence about joining one of our **group cruises**, let me say this clearly: **these trips are about more than travel**. They're about laughing hard, celebrating wins, making real connections, and creating memories you'll talk about long after we're back on land. You show up as strangers and leave as friends—sometimes family. If you can make the time, **come be part of it**, create moments like these with people who get it, and enjoy life together the way it's meant to be enjoyed.

Thank you, as always, for being part of the family. I can't wait to share what's coming next with all of you.

A Refreshingly Different Cruise Experience: My Review of Virgin Voyages' Brilliant Lady

After my recent sailing aboard Virgin Voyages' Brilliant Lady, I finally understand why so many travelers are calling this cruise line **a true disruption to the traditional cruising model**. Virgin Voyages manages to keep everything people love about cruising while eliminating many of the frustrations longtime cruise guests have simply learned to tolerate.

From thoughtful design and elevated dining to a vibrant adults only atmosphere, Brilliant Lady delivers an experience that feels modern, relaxed, and genuinely guest centric.
