

#TEAMHANDPAY — LET'S TAKE THIS JOURNEY TOGETHER

To my #TEAMHANDPAY family —

I cannot tell you how excited I am about what we've got planned this year. We've cruised together before. We've made some amazing memories together. But this year? **We are turning it up in a BIG way.**

Not only are we taking YOUR LUCK HAS ARRIVED across the country, **we're also making this our biggest cruise year EVER.** We've got five cruises planned — more than we've ever done — and every single one of them is about one thing: bringing our community together and having an absolute blast doing it.

This year's cruise lineup has something for everyone. Two of our cruises will be smaller, more intimate sailings, led by just a few members of the MHP crew — perfect if you like a chill vibe, more one on one time, and really getting to know your fellow fans. I'll personally be hosting two summer cruises, and then we're closing out the year in a MASSIVE way with a full #TEAMHANDPAY Takeover of the Margaritaville at Sea Islander. And trust me — that one is going to be something special.

And let me say this loud and clear — these aren't just cruises.

These are bucket list experiences.

This is about getting away, having fun, laughing a lot, celebrating those wins (and yes, laughing off the losses too), and making memories with people who love slots and gaming just as much as you do. **It's about turning online friendships into real life connections** — the kind you talk about long after the trip is over.

Being #TEAMHANDPAY has never been about just watching YouTube videos. It's about being part of a family. A community. A group of like minded slot enthusiasts who support each other, root for each other, and have a whole lot of fun together.

Life is short. We all know that. So let's live it. Let's travel. Let's take vacations we'll always remember. Let's be part of something fun, positive, and unforgettable — together.

This is our biggest cruise year yet... and I truly cannot wait to experience it with all of you.

Let's Get Rowdy at Sea!

Janice's Cruise Review - Margaritaville at Sea

Margaritaville at Sea Islander: A Cruise That Completely Changed Our Expectations

I recently sailed aboard the Margaritaville at Sea (MVAS) Islander with my Special Events Director, Danielle, on what was intended to be a scouting mission — and instead, it turned into a cruise that truly impressed us on every level.

We were there to fully evaluate the ship in preparation for our upcoming #TEAMHANDPAY Takeover this December, where the entire casino will transform into one MASSIVE MHP VIP Experience. What we didn't expect was just how quickly the Islander would win us over.

From the moment we stepped onboard, every preconceived notion about Margaritaville at Sea was completely debunked.
