CATCHING UP WITH JASON

#TEAMHANDPAY — YES, ANYTHING CAN HAPPEN!

The Summer Kick Off Cruise was an absolute BLAST! We did what we always do on these group trips—have a great time, laugh a lot, and make some amazing memories together—but this one was really special for me. I got to introduce my fiancée Kristy to the group in person, which meant a lot... and then we pulled off something *truly unforgettable*.

With a little behind-the-scenes plotting, we helped Mike surprise Natalie with a proposal right in the middle of the casino—and when he got down on one knee, even though he wasn't sure if he'd be able to get back up, you could feel just how much it meant. Honestly, that made it even more romantic. Natalie said YES, and the whole place roared with cheers and celebration.

That's really what #TEAMHANDPAY is all about. Yeah, we have fun, we travel, we play... but it's bigger than that. It's about the friendships we build and the moments we get to share together.

Just goes to show... anything can happen on a Mr. Hand Pay cruise!

So what's next for #TEAMHANDPAY? I'm changing it up a little—I'm taking my family on a Disney Cruise, and you're all invited to come along! Family is everything, and I want us to take these trips beyond the casino and spend quality time with the people who matter most.

And don't worry—we've still got plenty of gambling excitement coming up!

"YOUR LUCK HAS ARRIVED" is next at Viejas and Gila River, and we've got more days ready to go at Foxwoods too.

Don't miss out this summer... I'll see you guys soon!
