

Dear Fans,

I have launched a massive **\$100,000 Your Luck Has Arrived** promotion sponsored by Foxwoods Resort & Casino! As we push toward our goal of hitting **1 million subscribers** on YouTube, every comment on any long-form video posted between 7/1/2025 and when we hit 1 million subscribers prior to 9/30/2025 counts as an ENTRY! The more comments you have, the better your chances of winning! **Help us get 10,000 comments per video!** I'm also challenging every fan to get at least 10 people to subscribe to Mr. Hand Pay on YouTube this August and help grow our incredible community.

We've been traveling to **Foxwoods** to film **exciting new content**, including our hit series **Your Luck Has Arrived**, where Lucky Lisa became the biggest winner yet: winning over **\$10,000!** She brought everyone to tears with her emotional reaction!

In just two months, I hit my second **\$360 max bet Super Mansion** feature! In a separate video, I also hit a **GRAND Jackpot** on the hot new game, **Yo Yell!** I'm going live twice per month with **DraftKings**, risking **\$25,000 each session** for nonstop high-stakes action. We also recently collaborated with 2019 Playboy Playmate **Jordan Emanuel**, and there's more exciting content coming with her soon. She helped me win over **\$50,000 on the tables**, which you will see on **The Felt Life** soon!

On top of all that, we're ramping up our **JasonWasThere** channel, posting long-form videos every Sunday and Wednesday, as well as daily short-form content—so make sure to subscribe and stay locked in!

July was great, but August is going to be even better!
