

FEBRUARY NEWSLETTER

I'm **FIRE**d up about what we have coming up next. **Bringing Your Luck Has Arrived to the West Coast** has been a goal of mine for a long time, and getting ready to share it with our **Southern California** fans at Viejas means a lot to me. You've been asking for this for years, and now it's finally happening. West Coast, it's your turn. **Let's. Get. Rowdy!**

If you've ever been part of a Your Luck Has Arrived event, you know why it hits different. The energy on the casino floor shifts the moment it begins. There's a buzz you can feel, and the **anticipation builds with every single spin.**

The floor stays alive, and every player knows the same thing—it could happen at any moment. There's no stage and no announcement. **My team and I are walking the floor, and at any second, I might stop right behind you.** That possibility keeps everyone locked in, because every spin carries weight and every moment feels charged. One tap on the shoulder is all it takes to change everything.

That's Your Luck Has Arrived. It's anticipation. It's energy. And it's the moment luck finds you when you least expect it.

At Viejas, five players will be selected to be featured in an episode of **Your Luck Has Arrived**, each with \$10,000 in free play on the line. We've seen some incredible moments at past events, including a win that sent one player home with **\$22,975 in cash**. Now the question is simple—can Viejas top it? We're about to find out what **SoCal** brings to the table.

As we head into **February**, I want to wish everyone a great **Valentine's Day**, a happy and prosperous **Lunar New Year**, and good luck to your favorite team in the **Super Bowl LX**. Thank you, as always, for being part of this community. I can't wait to see you out on the casino floor.

We are proud to congratulate Jason on his appointment as a **Kentucky Colonel**, one of the Commonwealth's highest civic distinctions. This prestigious title is a lifetime honor bestowed by the Governor of Kentucky, recognizing individuals who demonstrate exceptional leadership, service, and commitment to the public good.

About the Kentucky Colonel Award

The **Kentucky Colonel Award** is the highest civic honor presented by the **Governor of Kentucky**. It is bestowed upon individuals who have shown outstanding integrity, leadership, and a meaningful record of positive impact within their communities. Those appointed are recognized as leaders in their respective fields whose work serves the public interest and upholds the values of responsibility and service.

Jason received this honor in recognition of his unrelenting efforts to educate the online **gambing community**—helping audiences distinguish what is authentic from what is fabricated, while consistently promoting **responsible gambling practices**. Through transparency, education, and advocacy, his work has helped raised the bar to make the **online gambling** world safer for the public, empowering viewers to make informed and **responsible choices**.

Please join us in **congratulating** Jason on this well-deserved and meaningful recognition. You can view clips of the ceremony here: [Link](#)

Slot-A-Con 2 Recap: Record Demand and Unforgettable Moments

Slot-A-Con 2 took place on January 24 at **Foxwoods**, marking the second installment of Slot-A-Con®, a trademarked fan event at **Foxwoods** designed to bring gaming, fans and digital content creators together in a shared, in-person experience.

Built around direct access, **Slot-A-Con®** blends creator meet-ups, casino floor play, and structured programming, offering fans the opportunity to connect with the personalities they follow in a setting that extends beyond the screen.

Following a strong debut in 2024, **Slot-A-Con®** returned this year with record-setting demand. Attendance surpassed the inaugural event by such a margin that guests attempting to **RSVP just one week prior to the event** were placed on a waitlist—an unmistakable sign of the event's rapid growth and increasing relevance within the gaming community.

Throughout the day, **Slot-A-Con 2** welcomed 30 slot and gaming content creators, making it one of the most creator-dense gatherings of its kind. Well-known fan favorites including **Mr. Hand Pay, Jackpot Judo and The Big Payback** spent hours meeting attendees, filming content, and engaging directly with fans as the event unfolded.

One of the biggest takeaways from our last **Holiday** sailing was how much our community values smaller, more personal group settings. That feedback stuck with us, and it directly shaped this year's cruise lineup.

For the upcoming season, our group sailings are intentionally capped. Smaller groups create a smoother experience onboard, allowing for more face-to-face time and more relaxed interaction with the **Mr. Hand Pay** crew. This approach also helps manage the realities of limited text and internet connectivity at sea, keeping the focus on the experience instead of the logistics.

Capping the group size also allows us to plan each sailing more thoughtfully. From scheduled activities to casual meet-ups throughout the ship, everything is designed with our community in mind—how you like to travel, connect, and spend time together without feeling rushed or overcrowded.

Because each sailing has a limited number of cabins, availability is tight. Guests who are interested in joining us are encouraged to reserve early to secure their spot.

We've also expanded our cruise partnerships to give you more options than ever. Along with our longtime cruise partners **MSC** and **Royal Caribbean**, we're excited to now be working with **Norwegian Cruise Line** and **Virgin Voyages**, opening the door to more ships, more itineraries, and even more unforgettable experiences at sea.
