

OUR SECOND DROP IS HERE!

Hey everyone! Mr. Hand Pay here—whether you've been riding with me since 2021, when it was just a tripod, a cell phone, and a dream, or you're just now joining the fun, I've got exciting news. Our first GigaStar drop was such a huge success that we had to run it back! Thanks to the overwhelming support from fans like you, we're opening up a second offering so even more of you can share in the action.

With over 3,000 videos, more than 780K subscribers, and a YouTube revenue stream that keeps climbing, this channel is on a winning streak—and now I'm giving you another chance to be part of it if you missed the first offering. This isn't just about watching big wins; it's about sharing in them.

Don't miss your chance to level up with me. Let's Get Rowdy—again!
