

OCTOBER 2025 NEWSLETTER

CATCHING UP WITH MR. HAND PAY

Dear Fans,

Whether you've been here since the first spin or just joined the Mr. Hand Pay family, your support means the world to me. You've watched, liked, commented, shared, and most importantly—you've **believed in this community**. We've built something special together, and this **1 Million Subscriber milestone** is just as much yours as it is mine.

And let's talk about how I was risking **\$1 MILLION of my own money LIVE** in front of all of you. It was also one of the most thrilling, nerve-racking moments of my life. The energy was unreal. You could feel it in your chest. Every spin, every draw, every hit—it was exciting. And knowing you were all there with me made it worth every second.

To everyone who came out, gave a fist bump, snapped a selfie, or just screamed "LET'S GO!" from across the theater—**thank you**. And to those watching from home, blowing up the chat, and sending love from all over the world—you were right there with us.

This community is **nuts**, and I love it. We're not just chasing jackpots—we're building memories, sharing laughs, and living the dream together.

We're not slowing down. We're just getting started. So buckle up, because the next chapter is going to be even more **rowdy, wild, and full of hand pays!**

**SPOTLIGHT CASINO
L'AUBERGE**

Located in Louisiana on the banks of the **Mississippi River**, the property has a cozy Southern feel. L'Auberge features a hunting lodge style fused with modern architecture, creating a pseudo-rustic look that's unique to this casino.

The hotel offers around 1,000 rooms across three types: Luxury, Premium Luxury, and the L'Auberge Suite. If you're looking for a good view of the lake, the Premium Luxury rooms and L'Auberge Suites are your best bet. Traveling with your pet? The hotel is **dog-friendly** and allows up to two dogs per room (a \$150 daily pet fee applies unless the dog is a service animal).

Toulouou's Beach provides a beach-like experience along the riverbank. If you'd prefer a dip outside of the river, L'Auberge has a heated pool area that includes a family pool, adult pool, and a lazy river. Cabanas are available for guests who want to relax poolside and hang out. The spa offers 27 different treatments, ranging from body treatments and facials to nail and hair services.

Golfers will enjoy the **Contraband Bayou Golf Club**, which was ranked among the best places to golf in Louisiana for five consecutive years and received the **Golden Tee Award**.

The casino features approximately 1,400 slot and video poker machines, along with more than 80 table games. About 20 of their slot machines are showcased on their website (click here to view), and they've recently added new electronic table games. Traditional table games include a wide variety of Baccarat, Blackjack, Craps, Roulette, Poker, and more. Poker alone has seven variations, including Texas Hold'em or Three Card Poker.

Dining options are a mix of casual and upscale choices, with a total of eight restaurants. The food offerings focus on local and regional flavors such as seafood and **New Orleans Lucky Dogs** but also include familiar options like burgers and Asian cuisine.

Good luck and have fun!
