CATCHING UP WITH MR. HAND PAY

Photo: Jason and Chris Bailey, VP of Player Development at Foxwoods

Dear Fans,

We have officially hit 1,000,000 subscribers all in 4 years on the Mr. Hand Pay channel! We couldn't have done it without YOU: my incredible fans and supporters who've been with me on this journey.

To celebrate, I'm doing something absolutely insane...

On October 4th, I'll be risking \$1,000,000 of my own money LIVE! I've never been this nervous, but I have a plan: start early, press hard, and go for a HUGE win! You won't want to miss it.

I want to give a shoutout to everyone who came to Foxwoods for the Mr. Hand Pay Hot Seat event last month - we packed the place! With the October 4th event, maybe you'll be the next winner. And if you want to grab some merch before coming, you can click [here](#).

Lets get rowdy!

Reflections on August 22 weekend \$75,000 HOT SEAT

IT WAS A CRAZY EVENT!

The **\$75k Hot Seat** weekend was one of the busiest nights **Foxwoods** had seen in a while. It was an exuberant event with us giving out **coins** and **wristbands** to all of you in addition to the prizes. As stressful as it was for us, seeing how much these interactions mean to you, as customers and fans, made it **very fulfilling**. The smiles, laughter, stories, and enthusiasm were the **wind in our sails** to keep us going through the foot ache and frantic tracking for the latest winner.

The event had some peculiar misadventures, like someone who was playing with another person's card and was disqualified, or the person who was drawn but had wandered off. The winners played a bit of everything most were slot players, but we had some at table games, and even someone at the bar playing video slots.

The Mr. Hand Pay film crew had the biggest job of being at the core of the event. **Jacob & Shane** were the cameramen who made sure all the best action was captured. **Olivia & Robyn** managed the socials to ensure the livestreams maintained a pleasant and safe atmosphere for all.

Janice, Jade, and Wei focused on providing the best service to those who booked their rooms through us. Most notably, Jade helped guests check in smoothly, Janice entertained guests at the slots, and Wei was the muscle who helped carry a duffel bag of beer up to a guest's room.

If you would like to meet us again, there is the **\$50K YLHA Hot Seat** and **1 Million Subscriber Promotion** coming up on **October 4th**, detailed below in this newsletter. We hope to see you all there!

With 390 rooms and views that overlook the Las Vegas Strip and the Nevada mountains, The M Resort is a great place to stay Off-Strip. From standard rooms to luxury lofts, there are six different stylish room types to fit your needs. Did you fly in and need a ride? You can reserve a shuttle to pick you up from Harry Reid International Airport between 7am-7pm for no additional cost!

Whether you're visiting in the heat of summer or the chill of winter, their heated infinity edge pools provide a nice all-year swim. You could also relax by taking a spa day, as they have an impressive four pages worth of services. If you are worried about missing a workout day, they have one of the best Fitness Centers with strength and cardio equipment.

Being away from the Strip has its advantages, as you will move away from the party crowd and be among a more mature clientele. The aisles between machines are wider for ease, and the staff are more down to earth and friendly.

Other than concerts and promotional events, there are a few annual events that we especially love. The Luau is a favorite among the guests with breezy entertainment to match the perfect weather, prizes to be won, and the best Hawaiian food spread. Watching the July 4th fireworks is a real treat for we get to see all the fireworks going off from all parts of the Strip and Off-Strip at once. No other casino has a view of the fireworks like the M does.

For content creators, The M is an excellent choice due to them being film-friendly. Most casinos will not allow for filming, especially of table games, but M Resort will allow it.

If you would like to book a room and/or record on the property, feel free to reach us by going to our site and filling out a form, or go to the form by clicking this page.

Good Luck!
